

The image shows the cover of a book titled 'U-BOAT' by Italo Fontana. The background is a photograph of the Fontana del Gallo in Turin at night. The fountain is illuminated with warm, golden lights, highlighting its intricate carvings and the arched openings at its base. The water in the foreground reflects the lights from the fountain and the surrounding city buildings. The sky is dark and cloudy, with some light breaking through near the horizon. The title 'U-BOAT' is written in large, bold, white capital letters, and the author's name 'ITALO FONTANA' is written in smaller, white capital letters below it.

2. Press the crown **B** all the way down to return it to position 1. Carefully screw down the crown cover **A** until it locks completely.

CARE AND MAINTENANCE

- Your watch will keep its performance intact for a long time, with proper care.
- We recommend that you have your watch checked every 3-4 years at one of our Authorized Dealers/Authorised Service Centres, to carry out ordinary maintenance on all mechanical parts and water resistance.
- We also recommend contacting an Authorized Dealer/Authorised Service Center to replace the strap.
- Do not leave the watch in places exposed to extreme temperature changes, humidity, the sun and strong magnetic fields.
- Jewel watch, avoid contact with water.

AUTOMATIC WATCHES REQUIRE MANUAL WINDING FOLLOWING A LONG PERIOD OF INACTIVITY.
