CARE AND MAINTENANCE

- Your watch will keep its performance intact for a long time, with proper care.
- We recommend that you have your watch checked every 3-4 years at one of our Authorized Dealers/Authorised Service Centres, to carry out ordinary maintenance on all mechanical parts and water resistance.
- We also recommend contacting an Authorized Dealer/Authorised Service Center to replace the strap.
- Do not leave the watch in places exposed to extreme temperature changes, humidity, the sun and strong magnetic fields.
- Make sure the watch is suitable for use in water.
- Always rinse the watch with fresh water after contact with salt water.
- It is advisable to unscrew the crown when the watch will not be used for a long time, to limit battery consumption. We recommend that you contact an authorized center to replace the battery.
